Career Objective

A highly motivated and detail-oriented recent graduate with a strong foundation in Java, SQL, HTML, CSS, and JavaScript. Skilled in developing efficient and responsive web applications with a focus on clean, maintainable code. Eager to apply technical expertise to contribute to innovative projects in a dynamic, growth-oriented organization. Committed to continuous learning and adapting to the latest technologies to deliver high-quality solutions.

Education

- B.Tech in Electrical and Electronics Engineering (EEE)**
Kshatriya College of Engineering, Armoor (2021 - 2024) | **CGPA: 7.2**
- Diploma in Electrical and Electronics Engineering**
Government Polytechnic College, Nizamabad (2018 - 2021) | **CGPA: 9.52**
- SSC**
Kakatiya High School, Nizamabad (2018) | **GPA: 9.3**

Technical Skills

- Programming Languages:** Java
- Web Development:** HTML, CSS, JavaScript
- Database Management:** MySQL, Oracle SQL
- Tools:** Eclipse, Visual Studio Code, MySQL Workbench, SQL Plus
- Applications:** MS Word, PowerPoint
- Methodologies:** Object-Oriented Programming

Projects

1. Netflix Clone

- Technologies Used:** HTML, CSS
- Designed a responsive Netflix clone featuring movie carousels and sectioned content areas to showcase trending movies and TV shows.

2. Portfolio Website

- **Technologies Used:** HTML, CSS, JavaScript
- Designed and developed a visually appealing and user-friendly portfolio website to showcase personal skills, projects, and achievements. Features include:
 - Interactive navigation and smooth scrolling
 - Project showcase with modals and hover effects
 - Responsive design ensuring accessibility on all devices
 - Animated transitions for enhanced user engagement

3. Line Follower Robot with Obstacle Detection

- Built an autonomous robot using sensor-based technology to navigate while detecting obstacles in real time.

4. IoT-Based Door Locker System Using Fingerprint and Face Authentication

- Led a team of five to develop a secure IoT system integrating biometric and facial recognition for access control. Enhanced performance with efficient algorithms.

Certifications

- **Certified SQL Programmer** – Cognitive Class
- **Certified Java Programmer** – Infosys
- **Certified Front-End Developer** – Simplilearn

Achievements

- Qualified for the Common Internship Test conducted by The Internship Studio
- Secured second rank in the Talent Test conducted by Saimedha

Strengths

- Quick Learner
- Excellent Problem-Solving Skills
- Strong Communication and Team Collaboration

Languages

- English, Telugu, Hindi
